

WRAP is a collection of 6 films with accompanying teacher's notes and lesson plans that form a teacher's guide to film making as part of a creative curriculum.

Produced by an award winning team of educational media specialists, WRAP is inspired by 10 years' experience of film making in schools as part of the Creative Partnerships programme.

WRAP comes in an easy to use DVD pack featuring 5 entertaining short films, created by pupils, staff and professional film makers, that link to the citizenship, dance, geography, PSHE and mathematics curriculum. Each film has detailed teacher's notes, lesson plans and ideas, developed by a team of educational specialists and subject teachers, designed to easily integrate into your classroom delivery. The films enhance and enrich the subject areas and actively encourage creativity and participation.

WRAP also includes a behind the scenes documentary with accompanying teacher's notes that look at the challenges and rewards of a film making project. The notes guide you through the process, with tips on budgeting, raising support for your project, writing a brief and producing a successful programme that is sustainable with a measurable impact on staff and students.

WRAP is designed to excite and inspire, combining relevant curriculum content with broadcast TV production values and techniques.

The films have received outstanding responses from media and educational professionals.

WRAP

Using Film in Education A DVD Compilation Resource for Secondary Schools

'...among the best seen which have been produced with young people'
Screen West Midlands

'I'm so glad I took part, quite honestly it's the coolest thing I've ever done teaching'.
Michael Brown, Maths Teacher

'The project is one of the best things I've been involved with in education'.
Bill Elgar, Assistant Head Teacher

'When I saw our film for the first time I really, really enjoyed it. It was amazing. I thought it was a brilliant opportunity'.
Chloe, Year 8 pupil

'I really thought it was an amazing, fantastic film that we created together. It was a great experience to see myself upon the big screen'.
Chris, Year 8 pupil
